should you join?

Party Presentation

Pan African Peoples Alliance

Papa is an African unity alliance that will succeed where others have failed because we have respect for human rights and local ways, cultures and governance. We have a strategy and formula to succeed.

OUR VISION

**One Africa One People
One Alliance**

Our Goals

**African Unity, Stability
Freedom and Prosperity**

1. Intro

.UNASSAILABLE

The papa solution for African alliance will succeed where others have failed because our structure is unassailable with endless successors. Assassinating any one or many will not change the direction of the party, it will only fuel its growth

PRINCIPALS

- ➔ **Our principles of human rights and respect for National and local governments will empower all African nations without ceding their sovereignty.**
- ➔ **African nations will be Unified with the Principles of Human Rights, servant government, local control and a unified alliance for**
- ➔ **trade, security and finance.**
- ➔

—

**We believe that the
government should serve the
people and guarantee the
people their basic human
rights**

— **One Africa** Benefits.

Trade platform

Pan African trade platform that can control the price of strategic exports. Trade experts from each country will participate. This gives Africa a Way to maximize prices and local benefit. This will also increase food security to mandate that a portion of all exports be sold locally.

Financial Platform

With control of the world's precious metals and resources, we will be able to forge an African currency for the benefit of all African nations and it will be based on their resources.

2. Why Join?

Because we can come together on the things that unify us to secure a prosperous and secure Africa for all Africans.

→ **Together we can Win**

→ Together we are part of a whole of Africa movement and soon to be the world. Our Party Alliances across Africa will support one another and make us powerful

→ **Together We Can Chart our Future**

All small parties that agree with PAPA Platform and Terms should unify into one large party.

Victory is the Benefit

Together we can win elections and the authority to forge together a wonderful future for Africa.

Anything less than total victory is pointless. We are better together.
